Cows were steady to \$2 higher on high yield cows. Heavy weight 2 & 3 year old heiferettes were \$5 to \$6 higher. Dairy buyout will start soon, but on the bright side it will be much smaller than first anticipated. Checking other livestock auctions in Idaho, Oregon, California and Utah, butcher cow numbers have been short. Short supply of white face cows and a smaller buyout may keep us in the high 40's and low 50's through August. Feeder cattle at our regular Wednesday sale have been selling well. We are looking forward to our Monday specials in conjunction with our new video auction. We have not picked a day yet for our first fall special but will be visiting with our consigners to see what day works best for them.
